The My Pet Painted Gift Certificate makes a great gift — a special pet captured in a fine contemporary work of art. Each superbly presented Gift Certificate comes bearing your personal message and is enveloped in a coloured metallic sleeve tied with matching ribbon.

The Gift Certificate entitles the recipient to a contemporary portrait of their own pet — of a size and budget that you choose. See price guide. It's valid for 2 years from the date of issue, to the current value of one painting of one pet, even if the prices increase in the meantime. Each Gift Certificate is individually numbered so if it gets misplaced or stolen, you can be assured your purchase is completely secure.

With all My Pet Painted paintings, each portrait is guaranteed original and comes with its own signed Certificate of Authenticity.

All Gift Certificate recipients are entitled to free shipping anywhere in Australia. If your gift certificate recipient requires photos to be taken of their pet then they can find a professional photographer by clicking here.

How to buy a Gift Certificate

The Gift Certificate includes one pet with a simple background so the prices are exactly as quoted in the current price guide.

When you purchase a My Pet Painted Gift Certificate, you need to supply me with the following details:

- Your special message on the gift certificate
- The recipients name, contact and delivery address
- The canvas size and style you have chosen
- The pet's name for the gift certificate

I normally require about 3 working days to produce and deliver your gift certificate.

Once it is ready, I email a copy of it to you for your approval before posting it to you or your recipient.

You can pay by cheque or direct bank transfer. Click [here](#) to order a Gift Certificate and fill in the gift certificate field

on the form and provide Greg with the required details when you submit the form.

When the Gift Certificate recipient is ready to proceed all they need do is send in their pet photos and I will contact them to discuss their painting.

All details about their pet and painting are discussed like I do for all pet portraits. Then the painting then begins.

When your pet portrait is finished, I email (or send) a digital photo of it to the recipient (or to you if you prefer) for approval, then it's carefully packed and delivered. The painting is sent with its Certificate of Authenticity, the Gift Certificate and any original photographs.

The Gift Certificate must be paid for in full before it is issued. It is not redeemable for cash.
